

I'm participating in Giving Tuesday, a day to give to the causes and charities that mean the most to you using savings from Black Friday and Cyber Monday.

GIVINGTUESDAY™

**PROTECT
THE PLACES
WE LOVE**

This year, I'm helping Ontario Nature raise funds for their Protected Places Campaign. Protected places provide safe havens for wildlife, increase our resilience to climate change, benefit and diversify our local economies, and much more.

Please consider supporting protected places in Ontario. Every dollar raised, up to \$15,000, will be matched by our proud sponsor Ontario Power Generation.
